BEFORE CHECKING IN

ACCOMPLISH AKLAN PROVINCE PRE-ARRIVAL REQUIREMENTS

Requirements:

- VaxCertPH or Negative RT-PCR.
- Booking confirmation from an airline, and an accredited DOT Hotel establishment.
- Proof of identification.
- Minors below twelve (12) years old are no longer required to present vaxcertPH or vaccination certification, nor they are required to submit negative RT-PCR results before accomplishing the registration form at any entry point.

WEAR A MASK

Wear a mask especially when boarding the plane and in our transportation vehicles. Our staff will also be wearing a mask and when they pick you up.

LUGGAGE DISINFECTION

Luggage especially handles will be disinfected upon being loaded on our transport vehicles.

UPON ARRIVING

THERMAL CHECK

Your temperature will be checked before entering the hotel. Those with body temperatures that register at 38C and above will be subject to further assessment. Outside guests who will eat at our outlets will also be subject to thermal checking.

FOR YOU: A SANITATION KIT

Each guest gets a sanitation kit which includes a disposable face mask, 70% solution alcohol and wet wipes. We'd appreciate it if you use them.

ROOM OCCUPANCY

Each room can be occupied by 2 adults and their 2 children aged 11 years old and below. Apart from the current bed set up of the particular room, a day and/or rollaway bed/s will be set up to meet the 1 person is to 1 bed requirement.

SANITIZE YOUR HANDS REGULARLY

Regular sanitation is highly encouraged. Thus, sanitizers are installed in many parts of the hotel. Each room and table in the restaurants and ballroom also have hand sanitizers.

HANDS OFF

Avoid touching surfaces unnecessarily especially in public areas. If you can't help it, you can wash your hands with soap and water, use your handy 70% solution alcohol or hand sanitizers located around the hotel afterwards.

PERSONAL SPACE & PHYSICAL DISTANCING

At the Front Desk, Concierge, Elevator foyers and inside elevators, please stand at designated areas to ensure personal space and physical distancing.

DISPOSE PROPERLY

A separate bin for personal protective equipment (PPE) and other sanitation materials will be provided in each of the guest rooms. These bins for PPEs will also be located in public areas of the hotel.

USE OF FACE MASK IS NOW VOLUNTARY BUT STILL ENCOURAGED

Feel safer by wearing your face mask whenever you are at public areas of the hotel. You sure can remove them when swimming or sunbathing.

SCAN, YOU CAN

To lessen physical contact, you may scan the QR codes at our restaurants and bars to view our menus. Once you're ready, our staff will be there to make your order.

DINING OPTIONS

You may order and dine either at our restaurants or in the privacy of your room.

WASH YOUR HANDS

Keep clean always by regularly washing your hands with water and soap.

COVER UP

Basic cough etiquette is a must. Cover your mouth or nose when you sneeze and cough.

REGULAR DISINFECTION

We have increased the frequency of cleaning and disinfecting public spaces and recreational venues (i.e. Fitness Center, Kids Club, The Spa Wellness Boracay, etc.) with hospital-grade virucide. Air purifiers with HEPA filter and UV light are set up too to kill viruses and germs.

ENHANCED EFFORTS

Surfaces are constantly wiped and disinfected thoroughly especially in public areas. In the evening, areas will be disinfected using electrostatic sprayer with virucide and floors will be mopped with a disinfecting solution.

POST-STAY

Each time a guest checks out, his/her room is disinfected with an electrostatic sprayer and virucide. Airconditioning filters will also be disinfected.
